

Declaration of Conformity to EU REACH

This Declaration letter is to confirm that Brooks Instrument is aware and supports the objective of European Union Directive (EC) No 1907/2006 “Registration, Evaluation, Authorization and Restriction of Chemicals” (REACH).

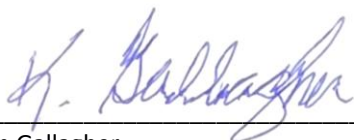

The European REACH Regulation “EC 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals” was implemented into European Union (EU) law to create a program for identifying Substances of Very High Concern (SVHC) and regulating their use.

Brooks Instrument supplies only non-chemical products (articles) and is therefore not required to register under Article 7(1) of the regulation. Our products do not contain any substances that are intended to be released under normal or reasonably foreseeable conditions of use.

Based on the information provided by our suppliers, we declare that the products listed below do not contain any substances from the REACH (SVHC) candidate list in concentrations greater than 1% by weight per article, and they comply with the restrictions outlined in Annex XVII of REACH.

Product Identification:

Product	Product Description
SolidSense II Models: GRD/GRF/GPD/GPF/GSD/GSF	Pressure Transducers with and without Rotatable Display and Relays
